Homemade Soups

"Good soup is one of the prime ingredients of good living. For soup can do more to lift the spirits and stimulate the appetite than any other one dish."

Louis P. De Gouy, The Soup Book - 1949

At Café Soleil we take great pride in our Homemade Soups. We make our own stocks, and use fresh ingredients to offer you a variety of soups every week. Our soups never come from a can. Our goal is that you enjoy the soup you choose as much as we take delight in preparing it for you.
